2018 KEYNOTE ADDRESS GENERAL SESSION ANNOUNCEMENT

HHS OIG Update & Guidance

The Sharing Alliance™ is extremely pleased to announce that our Keynote Speaker at this year's annual Sharing Conference™ is **Mary E. Riordan, Esq.**, Senior Counsel, Office of the Inspector General (OIG), US Department of Health and Human Services.

Within the six components of the OIG, it is the Office of Counsel to the Inspector General that, in part:

- Represents the OIG in the settlement of cases arising under the civil False Claims Act
- Negotiates and monitors corporate integrity agreements (CIAs)
- Develops compliance program guidance for the pharmaceutical and medical device industries

Ms. Riordan, in her position as Senior Counsel, has been directly involved in virtually all the negotiations around the pharmaceutical CIAs and their resulting regulatory obligations. Her keen insight into critical compliance guidance, and related corporate internal controls created to help ensure adherence to government health care law and regulations, is unmatched.

Please join us in October for the annual Sharing Conference and hear first-hand from Ms. Riordan about recent OIG activities and to get her perspective on corporate compliance. You will also have the chance to ask questions and get answers. We all have the goal to ensure a strong and effective corporate compliance program is in place. This Keynote presentation will provide timely and valuable insight toward attaining that goal.
