MGM National Harbor • Oxon Hill, MD • OCTOBER 15 – OCTOBER 17, 2018

As we celebrate America's birthday this week, we invite you to join us in October when the Sharing Conference™ comes to National Harbor, MD, located just minutes away from our nation's capitol.

The 28th annual Sharing Conference begins on Monday this year – October 15th at 1:30 pm – and we're already scheduling a chock-full agenda. We have an extensive variety of workshops, speed sessions, and networking opportunities, plus timely General Sessions featuring DEA, CMS and FDA officials. We've also allocated generous time for walking the floor of an action-packed exhibit hall where attendees will be inspired by the latest product and service solutions from our knowledgeable vendor partners.

The Sharing Conference is brought to you each year by the Sharing Alliance™, the by-the-industry, for-the-industry, non-profit organization whose focus is on education and training specific to compliance regulations and best practices. Annual membership in this year-round resource is included in conference registration. For those not familiar with our group, learn more about Alliance membership [here](#).

On behalf of all of us on the Sharing Alliance Board, we wish you a safe and happy 4th of July!

Deb Segura  
Alliance Executive Director

*If you have already registered for the Sharing Conference this October, I thank you and ask you to share this email with a colleague. When three attend from the same pharmaceutical, medical device or biotech company, a fourth from the same company may attend for FREE. If you have colleagues in any internal departments who could benefit from the compliance learning and sharing sessions that we are known for, I encourage you to invite them to join you at this year's conference. For more information on how your company can take advantage of this special free registration offer, [Contact Us](#).*
