

The 2020 VIRTUAL SHARING CONFERENCE™

COMPLIANCE • TRANSPARENCY • PDMA • OIG

October 19 - 21, 2020 • Monday - Wednesday

Developing SOPs for Business Continuity and Disaster Recovery

PRESENTED BY

Marc Lavin

Director, Compliance & Audit
Pfizer

Debbie Tay

Senior Manager, Sales Operations
Osmotica

This topic suggestion was brought to us by an Alliance Member, so the Sharing Alliance™ is especially pleased to announce that this workshop is on the agenda for the upcoming Virtual Conference. We all agree that Standard Operating Procedures must always be followed to ensure organizational compliance, and that is of particular importance during unpredictable and challenging times.

Join Sharing Alliance Board Members Marc Lavin and Debbie Tay in a walk through the creation and development of a Business Continuity and Disaster Recovery SOP.

Our two dynamic industry speakers will provide examples for creating SOPs and guidance on a prevention and recovery process for potential threats to data from natural disasters and other unforeseen circumstances.

There will also be a Q&A so bring your questions and get ready for an informative and timely discussion!

The Sharing Alliance™ is proud to announce this workshop as a part of this year's Virtual Sharing Conference™ lineup. Join us for 3 days of learning and sharing with presenters from FDA, DEA and CMS, along with top pharmaceutical, biotech and medical device companies, and expert service and solution providers. Registration is open to commercial compliance and operations professionals throughout the pharmaceutical, biotech, and medical device industries, as well as to the consultants and sales/solutions providers who support them.
