

Please join us for a free Webinar on

## State Laws & Sample Distribution

brought to you by the not-for-profit Sharing Alliance™

**Thursday, June 10th – 1:00pm to 2:30pm ET**

Featuring a Presentation and Open Forum Discussion with:

**Marc Lavin, Director Compliance & Audit, Pfizer**

**Chelsea Ott, Associate Director, MedPro Compliance Advisory Services**

**Tina Posey, Sr. Regulatory Consultant, IQVIA, U.S. Regulatory Compliance**

The focus will be on state-specific requirements impacting sample distribution, such as:

- State sample theft and loss reporting requirements
- State sample transparency reporting
- Unique state licensing considerations, such as the different expiration models and use of grace periods particularly in light of COVID-19, and how they can impact sample distribution practices
- Ohio Terminal Distributor of Dangerous Drugs licensing and impact on sample distribution and practitioner validation

To reserve your place, please send an email to: [membership@sharingalliance.org](mailto:membership@sharingalliance.org)

Log-in details will be sent closer to the event.

---

Free events like this are made possible through the generous support of our compliance vendor partners and industry membership. If you are not a current member of the Sharing Alliance, please consider registering for our virtual event this September and our 30th anniversary in-person Sharing Conference coming in May 2022. Help us continue our vital and informative learning and sharing with your paid registrations when possible – it's appreciated!
