

# STRONGER TOGETHER

## The 2023 Sharing Conference™

COMPLIANCE | TRANSPARENCY | PDMA | OIG

Marriott Marquis Marina  
San Diego, CA • April 30 - May 2

**Come meet with us and join fellow pharmaceutical, medical device, and biotech industry professionals at the premier compliance learning and sharing conference, this year on the west coast.**

▶ If you are a pharmaceutical, medical device or biotech industry professional...

And if any of the commercial operations compliance elements shown below are part of your work responsibility, on a daily basis, or even just occasionally...

- Data Analytics
- Speaker Programs
- Free Goods & PAP
- State Regulations
- Sample Distribution
- Vendor Management
- Product Promotions
- Legal & Ethics

- Sales Operations
- Security & Investigations
- Auditing & Monitoring
- Data Management
- Credentialing
- Fulfillment & Logistics
- Regulatory Affairs
- Transparency

The annual Sharing Conference features general sessions, workshops and open forum discussions on a wide variety of compliance topics and best practices. Educational content is dedicated to compliance and the Sharing Alliance™ mission of ensuring a safe and secure drug supply chain. Plus you'll find an exhibit hall filled with vendor partners offering the latest and greatest in compliance product and service solutions.

▶ Then you need to attend **The 2023 Sharing Conference™!** ◀
