Download the Sharing Conference App

We've built a mobile app for the 2023 Sharing Conference™ again that will make this year's experience valuable for our industry attendees, vendor partners, and speakers. This app includes the agenda, social media sharing, speakers, surveys, conference information, and much more in the palm of your hand.

Downloading is easy!

Step 1: Download the *Cvent Events* app to your phone from your app store!

DOWNLOAD HERE ON YOUR MOBILE DEVICE

Step 2: In the search bar, enter *2023 Sharing Conference*

Step 3: Download

This app is as private as you'd like it to be. You will not have to log-in to access anything on the app, however some features such as building a virtual schedule, filling out surveys, posting in the discussion room and/or interacting with other attendees will not be available unless you log-in.
