

## Greetings, Alliance Members!

I hope you had an enjoyable and educational experience last week at the Sharing Conference. It was terrific that we were able to meet in person – no doubt about it, we are definitely “Stronger Together.”

### Members Only

The 2023 Sharing Conference workshop slides have been posted in [Members Only](#). It's the place to find current and past conference presentations, industry insights, compliance-related information and our members. [Log-in](#) to see what's there!

### CCB and Participation Certificates

We are awaiting Compliance Certification Board CEU credits for the Sharing Conference. We'll let you know how to apply for them soon. In the meantime if you would like to get a personalized certificate showing you attended the conference, [email us](#).

### Compliance Services and Solutions

This section on the Alliance website is the place to look when you need vendor partner assistance. While we do not recommend or endorse specific vendors, we refer every inquiry from both members and non-members to our [vendor partners](#). We encourage you to make use of this handy resource.

### Employment Opportunities

Did you know that Alliance Member companies may post job openings on [sharingalliance.org](#) at no charge as a member benefit? Employment opportunities related to the life sciences and compliance communities are welcome. Send your [job openings, or email us](#) if you have any questions.

There is a short survey I hope you'll take to give the Alliance Board insights into what you, our Sharing Alliance Members, would like to see in the future. If you've taken this survey in the conference app, there is no need to take it again. If not, please click on the link below and provide your input.

[TAKE SURVEY](#)

Please stay in touch with me as I really do enjoy hearing from you. The Sharing Alliance is here to support you with your compliance challenges.

Thank you, and have a wonderful day.

Deb Segura  
Alliance Executive Director
