**SHARING**<sup>™</sup>  
conference

MAY 7-9, 2025

PRINCETON MARRIOTT  
AT FORRESTAL, NJ

COMPLIANCE | TRANSPARENCY | PDMA | OIG

## Become an Alliance Vendor Partner at the 33rd Annual Sharing Conference™!

For more than thirty years, the Sharing Conference has been the premier destination for pharma, biotech, and medical device compliance professionals looking to gain critical insights into commercial operations and compliance best practices.

The goal of the Sharing Alliance is clear: to strengthen our industry's knowledge of regulatory requirements and enhance our collective capacity to adhere to them.

As an exhibitor, you'll network with potential and existing clients, explore their complex challenges, and discuss your innovative solutions. When you're not in the exhibit hall promoting your offerings, you can participate in the same learning and sharing sessions as our industry attendees.

### Sign up to become an Alliance Vendor Partner.

#### For \$9,500, you'll receive:

- One 10 x 10 booth space
- Two exhibit staff registrations with full access to all conference activities
- Annual membership in the Sharing Alliance

By adding a sponsorship to your booth package, you can increase your visibility at the conference and unlock additional opportunities to share your expertise with the industry by participating in a workshop or learning session.

The presence of our vendor partners is a critical component to the success of the Sharing Conference and one of the top reasons industry attendees return year after year.

**Don't miss an excellent opportunity to connect with leads and position yourself as an expert!**
