We're excited to announce **"Enhancing Compliance: A Workshop on the Prescription Drug Marketing Act and 21 CFR Part 11 Validation,"** presented by Alan Minsk, General Counsel of the Sharing Alliance and Partner at Arnall Golden Gregory LLP. This workshop aims to provide an understanding of the Prescription Drug Marketing Act (PDMA) and the use of electronic records and signatures under Title 21 of the Code of Federal Regulations (CFR), Part 11.

Participants will explore the critical aspects of compliance with PDMA, focusing on the requirements for maintaining accurate records, ensuring secure electronic signatures, and validating electronic systems.

The session will cover best practices for integrating electronic records into existing workflows while adhering to regulatory standards. Attendees will gain insights into the FDA's current guidance on enforcement discretion regarding Part 11 requirements, particularly in relation to legacy systems and validation processes.

By the end of the workshop, participants will be equipped with practical tools and knowledge to enhance their compliance strategies in managing prescription drug marketing activities. You don't want to miss this!
