

We are excited to announce that registration for the 33rd annual Sharing Conference™ is now open!

About the Conference

Join us at the Princeton Marriott at Forrestal from **Wednesday, May 7 to Friday, May 9, 2025**, as we unite professionals across the pharmaceutical, biotech, and medical device sectors for an in-depth exploration of compliance and commercial operations. Whether you're a seasoned industry vet or just starting out, this event promises invaluable insights you won't want to miss!

Through workshops, general sessions, and open forums, you'll delve into the latest trends and strategies with industry leaders. Expand your understanding of best practices and discuss how to navigate our industry's complex regulations, ensuring your operations remain compliant and efficient.

Don't miss this fantastic opportunity to network, share ideas, and gain critical knowledge to foster your expertise and stay at the forefront of your field!

Showcasing Vendor Solutions

Throughout the conference, a diverse array of vendor partners will showcase their innovative compliance and commercial operations products and services. You'll have ample time to engage with them, discuss your challenges, and explore the tailored solutions they offer.

Hotel Information

We have secured a room block rate of **\$189/night** at Princeton Marriott at Forrestal. This hotel offers all the amenities needed for a delightful stay in the charming and historic Princeton, NJ. By staying at the conference hotel, you'll support our non-profit organization, which helps us deliver the best experience and value to our Alliance members. Click [here](#) to book your accommodations!

Register Now!

Register now to secure our Early Bird rate! Upon registration, your annual membership in the Sharing Alliance will be activated or renewed.

We have a special offer: when three industry attendees from the same company register, they get one free. Gather your colleagues and take advantage of this excellent deal!

We look forward to seeing you at the conference!
