

Workshop Announcement!

AI Essentials: Innovate with Integrity

Presented by:
Chuck Gallagher
Business Ethics Expert and Author

Artificial Intelligence (AI) is transforming businesses around the world. Each day, new technologies emerge that reveal AI's vast potential across all sectors. As more industries adopt AI tools, staying informed about the latest advancements is essential for driving innovation and growth and ensuring organizational compliance.

Chuck Gallagher is an expert in the field, offering invaluable insight into the boundless potential of AI. During his workshop, you'll deepen your understanding of this complex technology and discover how to apply it effectively in your daily tasks. Here's what you can expect:

- Explore the core principles of AI and its impact on your sector
- Learn how to integrate AI into your day-to-day responsibilities
- Navigate the ethical and legal considerations surrounding AI

Let's seize this chance to stay at the forefront of AI advancements and discover how this technology can support our job functions. Together, we can propel our industry into the future. We hope to see you there!
