

Workshop Announcement!

Data-Driven Strategies for Effective Sample Program Management: Doing More with Less

Presented by:

Jessica Youngs
Director,
Business Relations
QPharma

Stacy Diefenbach
Senior Manager,
Sample Management
BMS

This engaging workshop will delve into the intricacies of managing pharmaceutical sample programs, focusing on data-driven strategies to optimize distribution and ensure compliance. Attendees will discover how to:

- Overcome common challenges in sample program management
- Effectively leverage multi-channel approaches
- Utilize key data points for informed decision-making

The session will conclude with a comprehensive overview of an optimized, multi-channel sampling approach, ensuring you leave equipped with the essential tools and insights to enhance your sample programs.

Attendees will also have the opportunity to ask questions directly to these pharmaceutical experts. Participation is encouraged so please come prepared with any related scenarios you'd like to explore.
