

Workshop Announcement!

State Licensing from the Pharmaceutical Industry Perspective

Presented by:

MaryLou Schoonover

Customer Due Diligence & State Licensing Senior Manager
Endo USA, Inc.

If you are a drug manufacturer or distributor, you **MUST** comply with the US state government licensing regulations!

During this expert-led workshop, you'll gain an understanding of the complicated—and sometimes frustrating—process of complying with the various state licensing obligations. Complying with these regulations is crucial for anyone involved in the manufacturing, distribution, and sale of prescription drugs.

This session will provide a comprehensive overview of the drug manufacturer and distributor licensing requirements across the United States. This informative and interactive workshop will equip you with the tools and knowledge you need to ensure your company complies with state regulations.
