Last Chance to Register!

The **agenda** is set and the Sharing Conference begins soon! We'll be starting off on Wednesday, May 7th at 1pm with expert-led conversations on Speaker Programs, Data, Vendor Relationships, PDMA 21 CFR Part II Validation … and that's all before the conference officially opens the next morning!

On Thursday, set your alarm early and meet us at 7am at the Sharing Alliance booth for our first Open Forum (there will be coffee!) After that, we'll have a hearty breakfast while visiting with our vendor partners. That leads into the official welcome and keynote address, followed by more learning and sharing than you can imagine!

With the Sharing Conference just around the corner, this is your last chance to register and secure your spot at the industry's premier compliance and commercial operations event. Don't let it pass you by!
