

# Workshop Announcement!

## Using Data for Compliance Monitoring and Business Insight

Presented by:

**Eric Ciaverelli**  
Director, Sample Operations  
Sanofi

**Don DeSmet**  
Sharing Alliance  
Past President

Join us for an insightful workshop at the **Sharing Conference** as we explore how to leverage data for enhanced compliance monitoring and actionable business insights. In this session, we'll dive deep into:

- **Sampling Data Insights**  
What does your data really tell you about compliance risks and business outcomes? Learn how to interpret sampling data to uncover hidden issues and drive decision-making.
- **Compliance Data and Analysis**  
Is your organization at risk? Discover how data can reveal departmental red flags and guide proactive risk management.
- **Effective Data Monitoring**  
Understand the techniques and tools to monitor data for risk identification and ensure robust compliance processes.
- **Actionable Insights**  
Gain the knowledge to turn raw data into strategic insights that support both compliance and business success.

**Don't miss this opportunity to empower your team with actionable data-driven strategies!**
