

# OPEN FORUM ALERT!

The 34th Annual  
**Sharing Conference™**  
Compliance | Transparency | PDMA | OIG  
October 7-9, 2026  
Princeton Marriott at Forrestal, NJ

Are you looking for real-world solutions to your toughest compliance challenges? Want to hear what's really working – and what isn't – in today's regulatory landscape from industry colleagues?

Throughout this October's Sharing Conference, we'll be hosting a number of Open Forum sessions where you get to be in the driver's seat, steering discussions, exchanging ideas, and learning alongside peers in a supportive, comfortable setting. Some of these interactive sessions will focus on urgent topics like FDA and state theft loss reporting; what to expect from federal and state inspections; CRM migration and more. Others will be wide open, allowing you to bring up whatever's on your mind. Moderated by industry leaders, our Open Forums have always been a cornerstone of the conference, offering a unique platform to work through real-world scenarios and discover proven strategies for success.

And for the first time, these popular sessions will be scattered across the schedule, so whether you're an early riser or prefer your convos later in the day, you'll have plenty of opportunities to join in.

Bring your questions, share your experiences, and walk away with practical insights you can put to work straight away.
