

The 2020 VIRTUAL SHARING CONFERENCE™

COMPLIANCE • TRANSPARENCY • PDMA • OIG

Monday - Wednesday, October 19 - 21, 2020

The Sharing Alliance™ is honored to announce this General Session:

CMS Town Hall Meeting

Veronika Peleshchuk-Fradlin

Director of the Division of Transparency Programs
Centers for Medicare & Medicaid Services (CMS)
and
Members of the CMS Open Payments Team

Expanding state and global transparency initiatives remains a cause for growing concern in the industry. Federal reporting under Open Payments continues to be increasingly challenging, and managing compliance across multiple reporting entities may be compromised as companies try to keep up.

To help you navigate the current conditions while complying with Federal reporting requirements, the Sharing Alliance™ is very proud to be hosting the return of a Town Hall Meeting with Veronika Peleshchuk-Fradlin and members of the CMS Open Payments team. They will review and discuss program updates during this informative, conversational session which will include questions, concerns and general feedback from the industry.

Next month's Virtual Sharing Conference™ is the place to meet with the members of the CMS Open Payments team who are responsible for the overall program, including technology, updates, compliance, help desk and other areas critical to the success of Open Payments. Attendees will hear directly from CMS and have the chance to offer their own thoughts on the challenges the industry faces in meeting multiple reporting requirements across Federal and State regulations.

An invitation to submit questions prior to the Town Hall will be available should attendees prefer to remain anonymous. Details on submitting these questions will be coming soon.

This "back-by-popular-demand" Town Hall offers you a unique chance to have your concerns heard by CMS. Virtual Sharing Conference attendees will be among the first to learn directly from CMS about updates, enhancements, and new initiatives planned for Open Payments.

The Sharing Alliance™ is proud to announce this general session as a part of this year's Virtual Sharing Conference™ lineup. Join us for 3 days of learning and sharing with presenters from FDA, DEA and CMS, along with top pharmaceutical, biotech and medical device companies, and expert service and solution providers.
