## 2019 KEYNOTE ADDRESS GENERAL SESSION ANNOUNCEMENT

### The DEA, Controlled Substances, Controlled Substance Distribution, and the Practice of Medicine

Presented by  
**James "Jim" Arnold**  
Chief, Liaison Section  
Diversion Control Division  
Drug Enforcement Administration

The Sharing Alliance™ is honored to welcome back James "Jim" Arnold, Chief, Liaison Section, Drug Enforcement Administration, Diversion Control Division, to the Sharing Conference as the 2019 keynote speaker!

As many of you may remember from last year's conference, Mr. Arnold gave a passionate presentation on the subject of controlled substances, specifically opioids. This year, we welcome him back to continue the discussion of the crippling epidemic facing our nation.

*Time will be allotted for Q&A discussion. Questions will be taken during the presentation or may be submitted in advance of the session. Details on how to send in anonymous questions before the conference will be emailed to registered attendees mid-summer.*

#### Take advantage of the team discount!

When three people from the same pharmaceutical, medical device or biotech company attend, one more may attend for **FREE**. Forward this email to a colleague and get your team organized!  
Email: [mail@sharingalliance.org](mailto:mail@sharingalliance.org) for details.

*If you are a vendor who provides commercial operations compliance services and solutions to the life sciences industry, visit the [exhibitor section](#) for details on how you may participate.*

Connecting  
**Commercial  
Operations**  
WITH COMPLIANCE

This year's conference theme – Connecting Commercial Operations with Compliance – was created to address the relationship between commercial operations activities and the compliance factor.

We invite you [take a look](#) at how compliance connects with many aspects of commercial operations, including State Regulations, Auditing and Monitoring, Vendor Management and more.
