Claire M. Brennan

Section Chief
Liaison Section
Diversion Control Division
U. S. Drug Enforcement Administration

Scott A. Brinks

Section Chief

The mission of DEA's Diversion Control Division is to prevent, detect, and investigate the diversion of controlled pharmaceuticals and listed chemicals from legitimate sources while ensuring an adequate and uninterrupted supply for legitimate medical, commercial, and scientific needs. As you are aware, DEA Registrants must comply with DEA regulatory requirements to include security and recordkeeping for controlled substances.

During this timely and informative general session, Ms. Brennan and Mr. Brinks will be discussing DEA's response to the Coronavirus Pandemic (COVID-19) and Civil Unrest. They will also be discussing the DEA's National Drug Take Back Initiative and current Drug Trends.
