HAPPY INDEPENDENCE DAY!

We hope you are having a wonderful summer and will be setting aside some time to relax and have fun as we celebrate the 243rd birthday of the United States this week. And although we don't want to rush summer, this year's Sharing Conference™ happens in a little more than 2 months. Please join us as we return to the historic city of Baltimore – just a short distance from our nation's capital.

The annual Sharing Conference will be held from September 15 - 17 at the Baltimore Marriott Waterfront – and with a [chock-full agenda](#) you won't want to miss it! This year's General Sessions will feature officials from **DEA, FDA, and CMS**.

The Sharing Conference is brought to you each year by the Sharing Alliance™, the by-the-industry, for-the-industry, non-profit organization whose focus is on education and training specific to compliance regulations and best practices. Annual membership in this year-round resource is included in conference registration. For those not familiar with our group, we encourage you to [learn more](#).

On behalf of all of us on the Sharing Alliance Board, we wish you a safe and happy 4th of July!
