

The 2020 VIRTUAL SHARING CONFERENCE™

COMPLIANCE • TRANSPARENCY • PDMA • OIG

October 19 - 21, 2020 • Monday - Wednesday

Open Forum Discussions

The method may be a bit different this year... but our Open Forum Discussions will still be at the heart of our conference. Those of you expecting the "sharing" we're known for will have ample opportunities when you log in to the Virtual Sharing Conference™.

Monday, 10/19

1:00pm - 2:00pm (EST)

Join Regeneration's Shannon Hecht and Courtney Karp as they dial back to PDMA basics. They'll look at current distribution methods, storage challenges, SLT's, auditing and more. There will be plenty of time for Q&A sharing and chatting about samples and all things PDMA.

Tuesday, 10/20 & Wednesday, 10/21

1:00pm - 2:00pm (EST)

Theresa Farmer from Otsuka and Aaron Lehtikainen from Eli Lilly will be taking chatting to the next level. Whether it's something touched on during the conference, or something else that's cropped up during this unprecedented year of remote working, we'll have time allotted to talk about it.

So even though we won't be together in-person, you'll still have the opportunity to share the challenges and best practices that effect the industry as a whole. [Questions may be submitted prior](#) to the open forum discussions, and will be shared with the presenters in advance.

The Sharing Alliance™ is proud to announce these Open Forum sessions as a part of this month's Virtual Sharing Conference™ lineup. Join us for 3 days of learning and sharing with presenters from FDA, DEA and CMS, along with top pharmaceutical, biotech and medical device companies, and expert service and solution providers. Registration is open to commercial compliance and operations professionals throughout the pharmaceutical, biotech, and medical device industries, as well as to the consultants and sales/solutions providers who support them.

It's not too late! Register now!
