

THE 29TH ANNUAL

SHARING CONFERENCE™

COMPLIANCE • TRANSPARENCY • PDMA • OIG

Connecting
**Commercial
Operations**
WITH COMPLIANCE

BALTIMORE MARRIOTT WATERFRONT • BALTIMORE, MARYLAND • SEPTEMBER 15 - 17, 2019

TIME IS RUNNING OUT

EARLY BIRD PRICING ENDS NEXT MONDAY, JUNE 17!

While our September [Sharing Conference™](#) may still seem far away, the expiration date on early bird savings is right around the corner!

Monday, June 17th is the last day for early bird rates (\$2,850). After that, the price goes up to \$3,400.

And speaking of savings, here's another offer: when three industry participants from the same pharmaceutical/medical device/biotech company register for the Sharing Conference, one additional colleague may attend for **FREE**. To take advantage of this great offer or to learn more about the Sharing Conference, email mail@sharingalliance.org.

We're proud to deliver a jam-packed conference schedule focused on commercial operations compliance topics, all presented by well-respected government officials and industry experts. From our timely DEA keynote address to our "back-by-popular-demand" CMS Town Hall; from our interactive educational workshops to our open forum discussions, the learning and sharing opportunities included in this three-day conference are beyond compare. Plus we're featuring an exhibit hall filled with vendor partners offering unparalleled expertise on product and service solutions to everyday compliance challenges.

REGISTER NOW

If you're already registered, forward this email to a colleague!

When three people from the same pharmaceutical, medical device or biotech company attend, one more may attend for **FREE**.

Email: mail@sharingalliance.org for details.

If you are a vendor who provides commercial operations compliance services and solutions to the life sciences industry, visit the [exhibitor section](#) for details on how you may participate.

Connecting
**Commercial
Operations**
WITH COMPLIANCE

This year's conference theme - Connecting Commercial Operations with Compliance - was created to address the relationship between commercial operations activities and the compliance factor.

We invite you to [take a look](#) at how compliance connects with many aspects of commercial operations, including Sales Operations, Transparency, Sample Distribution and more.
