

## **THE SHARING CONFERENCE™ IS TURNING 30!**

***WHEN | October 19 - 21, 2020***

***WHERE | MGM National Harbor, MD***

We can hardly believe that we are into the 30th year of our annual Sharing Conference™. From a small group of compliance professionals meeting to discuss the newly-enacted PDMA so many years ago, we're proud we've become the industry leading compliance conference with a "by the industry, for the industry" educational message that just keeps growing.
