**FLEET MANAGEMENT
OPEN FORUM CONFERENCE CALL
Tuesday, April 20
1:00 - 2:00 PM ET**

The Sharing Alliance™ is excited to welcome Yaneice Thomas, Fleet Business Partner from eDriving to lead a Fleet Open Forum on April 20th from 1:00 – 2:00pm. Ms. Thomas will discuss eDriving's risk management strategy including behavioral analysis, predictive modeling, benchmarking, training and intervention and how this strategy helps build a strong fleet safety program. Ms. Thomas will explain how a dedicated partnership in safety increases compliance behind the wheel and achieves a reduction in fleet driver incidents, crashes, and injuries. There will be time allotted for Q&A.

RSVP TODAY

Please note: Open Forum calls are similar to the Open Forum sessions held during the annual Sharing Conference™. They are an educational opportunity to share challenges and concerns that effect the industry as a whole in a general discussion format. Open Forum Moderators ensure there are no specific references to individual pharmaceutical, medical device and vendor companies in regard to pricing or policy, and offer no endorsements of specific vendor companies.

Kind regards,

Deb Segura
Alliance Executive Director

This Open Forum call is free for current Alliance Members.
